

"THE STANDARD OF EXCELLENCE IN THE INDUSTRY"

April 14, 2022

To our valued customers,

Given the continued rise in operating costs across the board, Cascade will be adjusting our pricing by approximately 5% as of April 14<sup>th</sup>, 2025. We will honor all existing quotations for the time frame indicated on the quote.

This increase will be done through a multiplier change of 3 points on the 2021 price book. If you had a .60 multiplier previously, you will now use a .63 multiplier. This change will apply to all products except Ductile Iron Couplings, Flange Adaptors, and Ductile Saddles, which will use a .83 multiplier until further notice.

We will continue in our goal of supplying the highest quality pipe fittings, customer service, and engineering expertise. As always, we appreciate your continued partnership.

Sincerely,
