

"THE STANDARD OF EXCELLENCE IN THE INDUSTRY"

07-01-2026

To our Valued Customers,

Cascade Waterworks is introducing a new Price List on August 3rd, 2026, which will unfortunately include an increase. We have worked diligently to hold this off as long as possible but now find it necessary. The new list represents an approximate 9% increase, though some items have been realigned to help maintain a single multiplier across the board. Ductile products will have a significant change due to higher costs as well as realignment with the multiplier. A previous multiplier of 0.64, will now be 0.48 to the 2026 Price List. This constitutes a 16-point reduction from your previous number, with the multiplier realignment. An Excel CSV file for import will be available on the website shortly.

All existing pricing contracts and quotations will remain in effect until their stated term has expired. Any orders received by July 31<sup>st</sup>, 2026, will be honored at the current pricing level. The new pricing will take effect on August 3<sup>rd</sup>, 2026. We will maintain the same payment terms, but the Full Freight Allowance (FFA) will increase to \$4000 Net Order value.

The new Price List will be available on our website ([www.cascademfg.com](http://www.cascademfg.com)), via email request or phone (800)-426-4301 from any of our Inside Sales team. We always appreciate your business and look forward to our continued partnership. Should you have any questions or concerns, please feel free to contact us.

Sincerely,

Sincerely,

A handwritten signature in black ink that reads "Chuck Littlebrant". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Chuck Littlebrant  
General Manager  
Cascade Waterworks Mfg. Co.
